MELVIN JONES

Founder, Lions Club International

MELVIN JONES, the founder of the world's largest humanitarian service organization, The International Association of Lions Clubs, Inc., was born January 13, 1879, at Fort Thomas, AZ, at a time when the West was wild and wooly with the Apache Indian Nation making a last stand against the white man's encroachment. His father was a United States Army captain who commanded a troop of scouts in the area. Later, his father was transferred and the family moved east.

As a young man, Melvin Jones made his home in Chicago where he became associated with an insurance firm and in 1913 formed his own agency. He soon became a member of a local Business Circle, a businessman's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, Melvin Jones began to ask, "What if these men, who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, 20 representatives from 27 clubs met in Chicago to lay the ground-work for such an organization and on June 7, 1917, what we know as Lions Club International was born. It was stipulated that Lions Clubs were not to be social in nature, nor were members permitted to promote their own businesses.

In 1920, the young association became "International" when the Lions of Detroit, MI chartered the Windsor, Ontario Lions Club in Canada. In 1950, the title "SECRETARY GENERAL OF LIONS INTERNATIONAL" for life was conferred upon Jones. The Secretary's philosophy of life was "YOU CAN'T GET VERY FAR UNTIL YOU START DOING SOMETHING FOR SOMEBODY ELSE". That thought lives today in our Association's motto: WE SERVE.

The association's founder was also recognized as a leader outside the association. One of his greatest honors was in 1945 when he represented Lions Club International as a consultant in San Francisco at the organization of the United Nations.

During the years prior to his death on June 1, 1961, at the age of 82, Melvin Jones visited Fort Thomas, AZ and participated with the Arizona Lions group that laid the foundation for the memorial, that today, honors his name as the FOUNDER of the INTERNATIONAL ASSOCIATION of the LIONS CLUBS, INC.

In June 1999, the Association gave the prestigious 50 foot spire official recognition as an International Shrine.

TEXAS LIONS MULTIPLE DISTRICT 2 (16 DISTRICTS)

Texas is truly the birthplace of Lions Club International. The first meeting of Lions Club International convened in Dallas, Texas, at the Adolphus Hotel in October, 1917, where the name "Lion" was adopted. There were 12 original clubs from Texas that joined Lionism when it was officially formed: Abilene, Austin, Beaumont, Dallas, Fort Worth, Houston, Paris, Port Arthur, San Antonio, Temple, Waco and Wichita Falls. These clubs are known as Founder Clubs.

On October 8, 1917, Texas became District 4. In 1921, District 4 became District 2 at the International Convention in Oakland, California.

At the 1930 International Convention in Austin, Texas, District 2 was divided into 5 Districts: 2T, 2E, 2X, 2A and 2S. After the 1942 International Convention, District 2S was divided into 3 districts: 2-S1, 2-S2 and 2-S3, increasing the number of districts in Texas to 7.

At the 1958 International Convention, District 2T was divided into 3 districts: 2-T1, 2-T2 and 2-T3, increasing the number of districts in Texas to 9. At the International Convention in 1959, Texas was divided into fifteen districts: 2-T1, 2-T2, 2-T3, 2-E1, 2-E2, 2-X1, 2-X2, 2-X3, 2-A1, 2-A2, 2-A3, 2-S1, 2-S2, 2-S3 and 2-S4. At the International Convention in 1988, District 2-S5 was added, creating the total of 16 Texas Districts.

Texas has more than 30,000 members serving in more than 980 clubs.

TEXAS LIONS CAMP KERRVILLE, TX

Texas Lions Camp is a residential camping facility for children with physical disabilities, type 1 diabetes and cancer. The camp is located on 500 plus acres in the beautiful Texas Hill Country about two and one-half miles southeast of the City of Kerrville, Texas. Texas Lions Camp was organized in 1949 when the Lions Clubs of Texas joined forces to respond to the needs of children stricken with the polio epidemic which swept across the United States. As the cure for polio developed, the camp was expanded to deal with children facing a variety of medical conditions. Texas Lions Camp is designed to introduce the “Can Do” philosophy to children dealing with special medical needs.

Since its charter as a tax exempt corporation, more than 60,000 children of Texas have received supervised rehabilitation, training and the experience of “having fun” at the same time. Crippled children from all parts of the state may receive supervised rehabilitation training at no cost to the children. Approximately 1500 children with physical disabilities, cancer and type 1 diabetes are served each summer.

Today there are countless men and women whose lives were changed as a result of their camping experiences at the Texas Lions Camp where they made new life long friends, learned self-care skills, and built their self-esteem. Many of those have even returned to the camp over the years to work as counselors with the new Campers.
